Referee in Applied Financial Economics, Annals of Regional Science, South African Journal of Economics, Journal of Institutional and Theoretical Economics, Managerial Finance and Organization Studies, Corporate Governance and Entrepreneurship and Practice, Corporate Governance

Former member of the steering committee of the European Association of Law and Economics (EALE)

I was organizing the 29th Annual Conference of the European Association of Law and Economics, which took place in Stockholm on September 20-22, 2012.

I am active in:

1. The Centre for Family Enterprise and Ownership (CeFEO) at which is focused on research about family businesses. The centre is located at Jönköping International Business School

I have also organized three workshops in Jönköping:

Networks and Collaborations

Except having access to the networks of CeFEO I have the most active collaborations with three corporate governance networks and one law and economics networks. The law and economics network is the European Association of Law and Economics (EALE).

Within the fields of corporate governance I am taking an active part in two networks:

- The European Network of Corporate Governance and Investment founded by among others Professor Dennis C Mueller. One of the annual workshops (the 7th in 2006) was arranged by me and took place in Jönköping.
- The Nordic Corporate Governance Network (NCGN) that was initiated by me and Professor Steen Thomsen at CBS Denmark.

Oppositions, participation in evaluations committees, supervision etc...

I have acted as an opponent in four dissertations (two at Lund University, one in Finland at Turku School of Economics and Business Administration and one at the University of Vienna). Furthermore, I have evaluated competence of applicants for assistant, associate, acting professorship and full professorship.

So far I have been main advisor and responsible for seven presented doctoral dissertations. These are:

Thomas Marmefelt's *Bank-industry networks and economic evolution-An institutional-evolutionary approach* in 1998,

Thomas Paulson's *Decision-Making, Risk, and Utility – Assessments and Applications of Alternative Decision Models* in 2002,

Johan Eklund's *Corporate Governance, Private Property and Investment* in 2008

Daniel Wiberg's *Institutional Ownership-The Anonymous Capital: Corporate Governance and Investment Performance* in 2008.

Johanna Palmberg's *Family Ownership and Investment Performance* in 2010

James Dzansi's *Essays on Financing and Returns on Investment* in 2012

Andreas Högberg *Corporate Governance, Legal Origin and Firm Performance: An Asian Perspective* in 2012.

All these dissertations were written and defended at Jönköping International Business School.
